Important information regarding the holding deposit:

This is payable when we start to process your application. Payment must be made by bank transfer as we are unable to take card payments for deposit or rent.

Once we receive the deposit we will not show anyone else round the property.

We have 14 days to enter into a tenancy agreement unless we mutually agree a different 'deadline for agreement' in writing.

We will provide a receipt for the holding deposit and confirm the 'deadline for agreement', we will also provide you with a draft copy of the Assured Shorthold Tenancy agreement so that you can read it before committing. Details of the rent and deposit you would pay are covered in the letting particulars for the property.

We will refund your holding deposit in full within 7 days if:

1. entering into a tenancy agreement with the tenant (it will be offset against your deposit)
2. the landlord withdraws from the proposed agreement
3. the 'deadline for agreement' passing without a tenancy having been entered

We will keep and not refund your holding deposit if

1. you provide false or misleading information in your application
2. you fail a 'right to rent' check
3. you withdraw your property application (*)
4. you fail to take all reasonable steps to enter into a tenancy agreement and the landlord or agent takes all reasonable steps to do so (*)

(* unless a landlord or agent imposes a requirement that breaches the ban or acts in such a way to the tenant or relevant person that it would be unreasonable to expect a tenant to enter into a tenancy agreement with them).

Important information
